Nicosia

Nicosia fans of Liverpool FC and members of the Liverpool FC Cyprus Branch gather at "The Shamrock Sports Bar". "The Shamrock", as it is known to the locals, is located in suburban Strovolos and can be found on the intersection of Kykladon and Stadiou Streets, directly opposite the Strovolos Pizza Hut and just up the road from Cyprus College.

The Shamrock has been screening Liverpool FC matches for years and is an Official Sponsor of the Liverpool FC Cyprus Branch. The owners are Reds supporters and it is the only pub in Nicosia willing and able to show every game our beloved Reds play. A large screen has been allocated for this purpose but other games can also be viewed simultaneously on the many other screens available.

The Shamrock in Nicosia is our second home, so if you're a supporter of Liverpool and living or visiting Nicosia, then drop in and join us to watch our team play and to share a verse of "You'll Never Walk Alone" with us.
